*Explanation of Other Funds:**JPJCDC intends to apply from the Murdock Foundation, Usibelli Coal Mine, Alyeska, BP and ConocoPhillips.***Detailed Project Description and Justification:**

The final phase of the renovation and expansion will be to add a gymnasium onto the existing JP Jones Community Development Center (JPJCDC). The first phase was completed in 2007 using a combination of HUD and State grant funds.

In addition to the roles JPJCDC already serves, this addition will allow the JPJCDC to host activities of organizations including the Boys & Girls club and Volunteers in Policing. Building the support infrastructure for these groups to maintain a presence on the South side of Fairbanks will have positive impact on public safety. It will also allow the JPJCDC to host additional educational programs.

This project was supported by the Fairbanks North Star Borough in resolution 2006-55.
